

## **NEW! Corsair DASH 750 (24')**

Pocket Cruiser

### **2010 Specifications**

The New Corsair DASH 750 is compact, easily trailerable and ideal for camp-style cruising and day sailing. It is tough, lightweight, sporty, exceptionally fast, responsive and safe. Developed from the well-proven Corsair 24 Mk II, this new model incorporates the same innovative folding system and accommodation features of the previous model. It has a modern rotating wing section mast, retractable alloy bowsprit, modern alloy dagger board, dagger rudder, plumb bow and larger volume floats.

With its open-space cabin, optional cruising amenities and spacious decks and nets, the Corsair DASH 750 is a highly mobile pocket cruiser. But, it is the amazing performance — with 20-knots plus speed capability — that sets this new Corsair apart. The Corsair Dash 750 can fly an easy-to-handle asymmetrical spinnaker or screecher for exhilarating performance at a high plane.

The base boat includes the following features:

- Large roomy cabin with standing headroom under pop-top
- Companionway hatch
- Interior carpet liner and cushions
- Removable dinner table which converts to a main cabin bunk extension
- Rotating aluminum wing mast with synthetic shrouds and bobstay, main, jib, screecher and spinnaker halyards.
